## SeaStone Product List & Packaging Specifications

### SeaStone® Collection Descriptions

2017-18

**ShellStone: Code 01:** Authentic fossilized shell with a machine ground smooth face finish showcased in any one of our base natural colors of white, buff or grey engineered to replicate a natural stone occurrence.

**LimeStone: Code 02:** A minimal concentration of authentic fossilized shell with a machine ground smooth face finish showcased in any one of our base natural colors of white, buff or grey engineered to replicate a natural stone occurrence.

**GlasStone:** Tumbled Glass enhanced in ShellStone or LimeStone styles; a propriety colored tumbled glass formula showcased in any one of our base colorations of white, buff or grey, engineered to replicate a natural stone occurrence with a visual of minimal bits of impregnated tumbled glass. Standard colors blends:

-01 SeaMist - A subtle blend of ocean colors of various aquamarine hues

-02 Azure - A subtle blend of light and dark hues of cobalt blue

-03 Golden Amber - a subtle blend of yellow and golden hues

-04 Ice - A subtle blend of opaque white and light green

**ReefStone: Code 03:** a cement tile base color mix of any one of our base colorations of white, buff or grey with an un-ground rustic face engineered to replicate natural coral.

**Colors:** base colors of white, buff and grey are standard - other special aggregates are shown as enhancements in these base colors (see also index pg. ( 6 & 7 )

**Thickness:** Standard SeaStone thickness is shown below - other thickness available by special order minimums may apply

**Facial Finish:** Level 1 is a standard mill finish on ShellStone, LimeStone and SeaStone styles which incorporates re-cycled glass (GlasStone) or Jewel Rock - Level 2 is a higher hone finish suitable for interior use (see p.8 process)

### SEASTONE EDGE TRIM

Standard trim sizes for use in pool coping, wall caps, baseboard & other areas where an edge is desired

NOTE: ReefStone displays a ShellStone edge finish and a rustic face

SINGLE SIDED TRIM L & W	Nominal Size (Inches) & Size code	Nominal Thickness	Description	U/M	Pieces Per Pallet	LF Per Pallet	Weight Per Pallet
	C4x9	1-1/2"	Single Sided Edge 4" Side	PC	450	149	1,800
	C4x12	1-1/2"	Single Sided Edge 12" Side	PC	400	133	2,000
	C9x9	1-1/2"	Single Sided Edge 9" Side	PC	200	150	1,800
	C9x18	1-1/2"	Single Sided Edge 18" Side	PC	100	150	1,800
	C12x12	1"	Single Sided Edge 12" Side	LF	250	250	2,500
	C12x12	1-1/2"	Single Sided Edge 12" Side	LF	200	200	3,200
	C8x16	1-1/2"	Single Sided Edge 16" Side	LF	180	120	2,650
	C16x16	1-1/2"	Single Sided Edge 16" Side	LF	90	120	2,650
	C18x18	1"	Single Sided Edge 18" Side	LF	72	108	1,620
	C18x18	1-1/2"	Single Sided Edge 18" Side	LF	60	90	2,160
	C12x24	1-1/2"	Single Sided Edge - 12" Side	LF	145	145	3,200
	C12x24	1-1/2"	Single Sided Edge - 24" Side	LF	145	290	3,200
	C24x24	1"	Single Sided Edge - 24" Side	LF	50	100	1,400
	C24x24	1-1/2"	Single Sided Edge 24" Side	LF	30	60	2,050

DOUBLE SIDED ADJACENT TRIM L & W	Nominal Size (Inches) & Size code	Nominal Thickness	Description	U/M	Pieces Per Pallet	LF Per Pallet	Weight Per Pallet
	C4x12	1-1/2"	Double Sided Edge - Opposite 4" Sides	PC	400	133	2,000
	C9x18	1-1/2"	Double Sided Edge - Opposite 18" Sides	PC	100	150	1,800
	C12x12	1"	Double Sided Edge - Opposite 12" Sides	LF	250	250	2,500
	C12x12	1-1/2"	Double Sided Edge - Opposite 12" Sides	LF	200	200	3,200
	C8x16	1-1/2"	Double Sided Edge - Opposite 16" Sides	LF	180	120	2,650
	C16x16	1-1/2"	Double Sided Edge - Opposite 16" Sides	LF	90	120	2,650
	C18x18	1"	Double Sided Edge - Opposite 18" Sides	LF	72	108	1,620
	C18x18	1-1/2"	Double Sided Edge - Opposite 18" Sides	LF	60	90	2,160
	C12x24	1-1/2"	Double Sided Edge - Opposite 12" Sides	LF	145	145	3,200
	C12x24	1-1/2"	Double Sided Edge - Opposite 24" Sides	LF	145	290	3,200
	C24x24	1"	Double Sided Edge - Opposite 24" Sides	LF	30	60	1,400
	C24x24	1-1/2"	Double Sided Edge - Opposite 24" Sides	LF	30	60	2,050

DOUBLE SIDED ADJACENT TRIM L x W	Nominal Size (Inches) & Size code	Nominal Thickness	Description	U/M	Pieces Per Pallet	LF Per Pallet	Weight Per Pallet
	C12x12	1"	Double Sided Edge - Adjacent 12" Sides	LF	250	250	2,500
	C12x12	1-1/2"	Double Sided Edge - Adjacent 12" Sides	LF	200	200	3,200
	C16x16	1-1/2"	Double Sided Edge - Adjacent 16" Sides	LF	90	120	2,650
	C18x18	1"	Double Sided Edge - Adjacent 18" Sides	LF	72	108	1,620
	C18x18	1-1/2"	Double Sided Edge - Adjacent 18" Sides	LF	60	90	2,160
	C12x24	1-1/2"	Double Sided Edge - 24" Side & Left	LF	145	290	3,200
	C12x24	1-1/2"	Double Sided Edge - 24" Side & Right	LF	145	290	3,200
	C24x24	1"	Double Sided Edge - Adjacent 24" Sides	LF	30	60	1,400
	C24x24	1-1/2"	Double Sided Edge - Adjacent 24" Sides	LF	30	60	2,050
